An Overview of Puerto Rican History:
from the Tainos to the year 2000

Instructions: Create a timeline of major events in Puerto Rican history, beginning with the original inhabitants, the Tainos. Use images to match each event. Include dates, important people, accomplishments, major shifts in society, religion and politics, etc... Include symbols or images that you see repeated in the websites. You can start by making a list below. Look at several timelines online and choose the events that you see repeated over and over.
