AP World History Review Project
A Visual Essay

You and your partners will be creating a visual Comparison or Continuity and Change essay about one of the topics that are part of the 6 Key Concepts of Advanced Placement World History.

Directions:
Using Office Mix... create a Powerpoint that answers your prompt. Write your essay but do it visually.

Your project...

*Needs to be structured like an essay. There needs to be a clear argument, with evidence and reasoning.

*Writing on each slide needs to be at a minimum, so that it is easy to read.

*ALL writing MUST be your own, nothing cut and pasted from other places.

* Your project must be well researched

*Use visuals that support or accentuate your argument.

*Must be narrated

*Must be a viewing guide for students to use as they peruse your project. An answer key must also be included
