How To Add a Video from the Internet
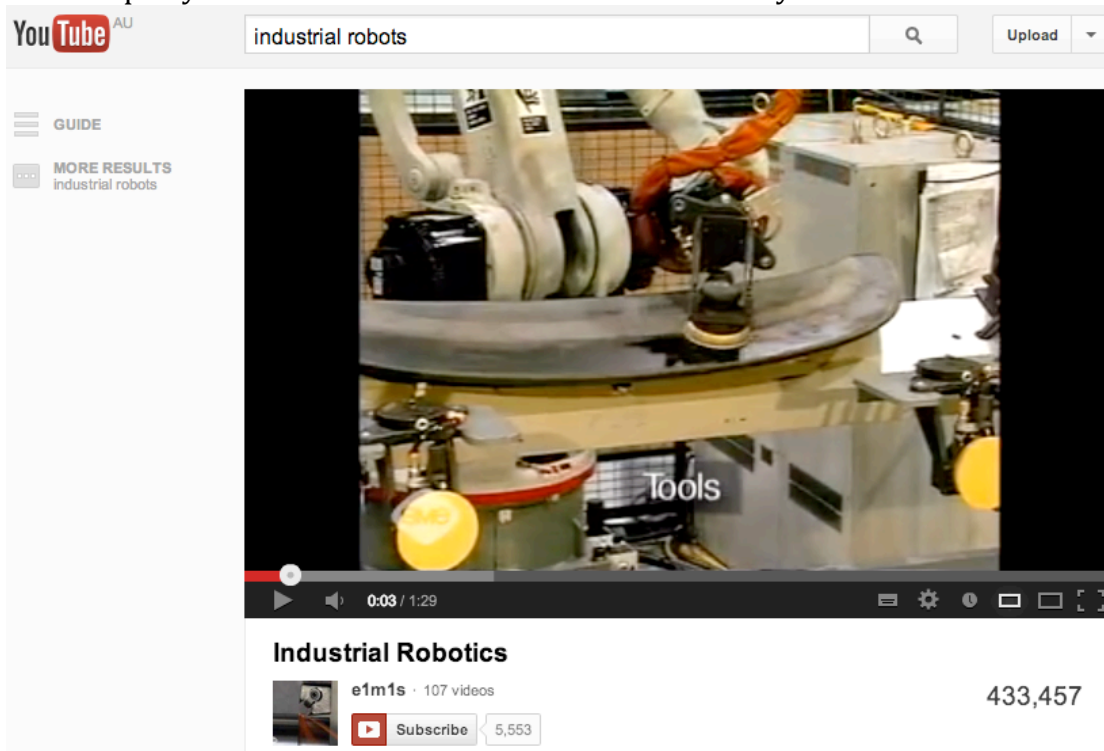

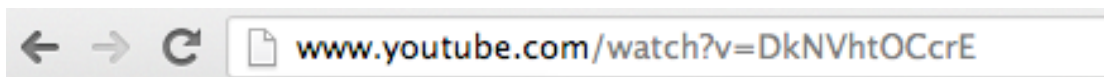

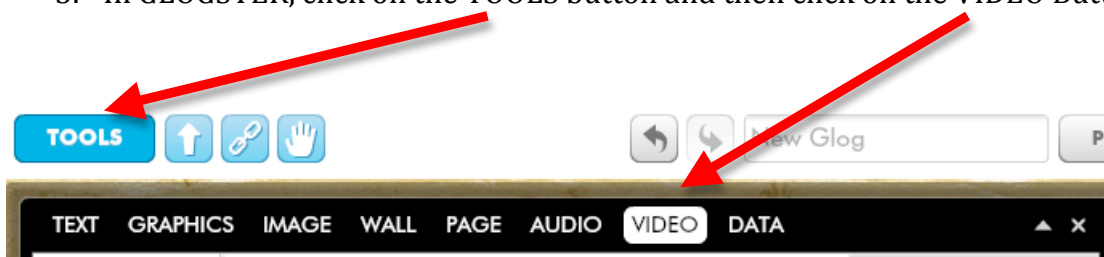

1. Open your web browser and search for the video you want to use

2. Once you have located the video, copy the URL which can be found in the address bar

3. In GLOGSTER, click on the TOOLS button and then click on the VIDEO Button

4. Select the LINK button and the following dialogue box will pop up

7. Paste the URL you copied into the dialogue box where it says "Enter web address here" and click on ADD TO MY FILES

6. To use the video immediately click on the USE IT button and close the dialogue box
